# SUMMER CAMP DESCRIPTIONS

## HIP HOP!

We dance every day, and also explore the five elements of hip hop: MCing (writing poetry/rap), graffiti (through colors, paint and art,) breaking (dancing,) DJing (music making,) and knowledge (learning history.)

## PIANO CAMP

We'll take music theory and make it fun! Come learn piano in a group format. We will learn how to read notes, understand the piano, and create chords! A great introduction to playing the piano!

## PRESCHOOL!

Pick your theme - Puppy Week, Cat/Kitten Week, Princess Week!

We will dance with ribbons, use our imaginations, learn basic technique, and have FUN! Don't miss this high-energy time of creativity, movement, and music!

## **SONGWRITING CAMP!**

Learn how to express yourself through writing music. We will focus on fun basics of music theory, the creative process, and lyric writing! All kids will come away with at least one song of their own!

\*Older students will learn how to edit their own music

## **MUSIC VIDEO MAKING**

Don't miss this one - students will make one music video, working on their own ideas and projects and seeing them come to fruition. Depending on the students, students will choreograph and direct as much as possible for themselves.

\*Older students will also learn how to edit videos

## **SPANISH CAMP**

Come learn about Hispanic culture and learn as much Spanish as we can in a week! Good for all ages as activities will flex for different ages.
